

# Membership Fees 2017-2018

May 2017

Dear Members,

Please find the 2017-2018 fees below. Our fees were discussed at our AGM in April. The amounts below indicate the CMPC fee that was agreed on at the AGM but the total amount due is up to \$13.50 more due to PCV and PCA fees not being up to date in the information at the AGM.

2017-2018 fees are now due and must be paid prior to **July** rally. If you are a member who is competing we request payment is made by May 30 when we will send off our first membership updates. Payment by May 30 gives us time to send payments to PCAV and receive and update your PCAV Club Member Card back before July 1<sup>st</sup> for competitions and the July rally.

If you are a member who does not compete then payment may be organised at June rally or immediately afterwards. Please note we prefer EFT payment to reduce handling the cash on rally day.
