

Membership Fees 2019-2020

May 2019

Dear Members,

Please find the 2019 -2020 fees below. Our fees were discussed at our AGM in April and the amounts below indicate the CMPC fee that was agreed on at the AGM.

2019-2020 fees are now due and must be paid prior to **July** rally. If you are a member who is competing we request payment is made before June rally after which we will send off our first membership updates. Payment by this date gives us time to send payments to PCAV and receive and update your PCAV Club Member Card back before July 1st for July competitions.

Membership must be paid prior to July for riders to participate in July rally.

Please note we prefer EFT payment to reduce handling the cash on rally day.

WWC - Could everybody ensure that any parent attending more than 3 rallies for the year has a Work With Children no. **Membership will not be renewed without a WWC.**

CMPC would like to offer part payment for fees. The PCA/PCV component must be paid before July rally in order to ride. The balance may be paid over 2 months, with 1 payment (half of the balance) due before August rally and the reminder due before September rally. If you require a further extension please contact myself or Adrienne where we will arrange a further extension.
