## PRESIDENT'S REPORT

Hi Everyone,

This rally Muster is going to be run a little different.... Can everyone please meet at their Gear Check Point -at 9.30 am - **Unmounted**. We will have Muster and then you will go and saddle up and return for Gear Check. Lunchtime has been rescheduled and will be shorter giving you more time at your sessions. This will be trial run this month - feedback is most welcome in the suggestion box in the clubrooms.

Some events that are coming up to mark on your Calendar that we are going to need assistance with please these are :

APSB Fun day - 31st July

A list will be coming around this rally to get names to help on this day.

CMPC Show - 22nd August (sub committee needed soon)

Work has started on the running of our show - anyone who might like to be involved please contact Lynn.

CMPC Beds - 11th September (Jo Veltman co-ordinator)

Our entry form has been set and Jo will soon be getting things rolling.

More work has been completed in the Club rooms recently and we should soon have access to the upper floor as the ventilation unit is soon to be installed. We thank Keith O'Dricoll (Morgans' dad), Tommy (Keith's mate) and Terry Cleland for the many hours that they have worked over the past few weeks on the inside bathroom facilities these will soon be able to be used. As you will see our new fencing around the SJ arena looks great also.

Members who are out eventing please remember to email your result so they can be published in the Hoofprints it's great for the Club to read how well your are all going. It's also fantastic to see so many of our members out there at the events you all look so great in our Blue jumpers which makes our Club so proud of you all. Eventers please remember to bring your books this Rally to get your new cards - **DON'T FORGET !!**

See you Sunday, Cheers Lynn

## D.C. REPORT

July Rally 2010

What an Amazing Club we belong to at Corio Moorabool. We have had new club rooms opened, grounds improvements, new instructors new members and the vibrancy of the club is really evident. I would like to welcome Lauren (a new instructor in XC) who had her first rally in June and loved the friendliness of our club and the willingness of our members to learn. The quality of our instructors really reflects their committment to improving riding at the grass roots of the sport/ hobby/ interest. I would like to congratulate the flat team of Emma Alexander, Rachel Veltman, Ebony Elgers, Maddy Tabak and Gemma Petsinis who placed 9th at the States. This is no mean feat. Our girls were the youngest team and represented our club superbly. They were proud to wear their uniforms and for their horses to wear a CMPC rug. It really hit home to me that the opportunities that are on offer in the Pony Club organisation are varied. We watched the musical ride teams present and they were creative and synchronised and entertaining to watch. It would be terrific to have more riders compete in these events in the future. I know that any of the girls would be happy to talk to you about their experiences.

We have current members participating at state level on a regular basis. Lauren Hill, who represented CMPC at states will be instructing at this rally and will be available during the lunch period to answer any questions on eventing. We are so fortunate to have members such as Lauren who are keen to share their knowledge. Please take advantage of the opportunity to ask Lauren anything. Amy Kort also competes regularly in Show Jumping and would also welcome any questions anyone may have.

Gear check is put in place for the safety of the rider. However it is also important to keep you gear clean. When was the last time you took your bridle apart and cleaned and oiled it? It is really important to present your gear in a clean state on any day that you ride, but especially for competitions. Check for wear and tear and also check that when you buy new boots they fit into your stirrups correctly!

The rain is so lovely, but it does bring with it other concerns especially for your horses hooves. Check them regularly as the wetness in the ground can create sticky mud which can conjeal in the hoof. The hoof may also not really get a chance to dry out, so it is even more important to clean them out on a regular basis.

We look forward to having Alan Mitchell at our next rally and I hope that the weather is kind to us

Happy riding
