PRESIDENT'S REPORT

Hi Everyone,

Thanks to the families that turned up at the woking bee the week before last your efforts on the Showjumping Ring and various other jobs around the grounds and Club rooms were great. We will be having more working bees in the near future as we have to upgrate our Ground for the State Event that is being held here in February, not only is this great for our Club but will also benefit us greatly in the long run as we will end up with another showjumping ring and improvements all around our ground. So please be prepared that in the coming months that we may call on you again for your help. Please everyone share the work load don't leave it up to the same people all the time.

Some events that are coming up to mark on your Calander please that we are going to need assistance with are :

- APSB Fun day - 31st July
- CMPC Show - 22nd August (sub committee needed soon)
- CMPC Beds - 11th September (Jo Veltman co-ordinator)

Remember this Rally fee are due - the office will be open from 10.00 am until 11.30 for this to be processed. If fees are not paid this Rally members will DEFINATELY NOT be allowed to ride at July Rally as you will not have any Insurance cover. Members who are not attending this rally MUST make contact with Carolyn and arrange payment over the next week, payment can be make via bank transfer if this makes it easier but this can be arranged with Carolyn on the telephone number above or by email which you all have.

To those families that have not worked the 20 hours compulsory hours towards the fees arrangements for the extra fee charge will be organised with the committee on Sunday at the Rally.

More work has been completed in the Club rooms recently and we should soon have access to the upper floor as the ventilation unit is soon to be installed. We thank Keith O'Dricoll (Morgans' dad) who has offered to help Terry soon with the fixing and fitting of the inside bathroom facilities.

I also pass on many thanks to Julie Mansfield who has taken on the job of cleaning our Club Rooms after each rally, Julie is doing a fantatic job and it is much appreciated by all.

See you Sunday, Cheers Lynn

D.C. REPORT

June Rally 2010

The May Rally was our first as DC and Chief Instructor.

It gave us a chance to visit all groups and watch how instructors interact and teach and how our members are riding. There have been and there may be more changes made to groups. We spoke to all members and their parents before making the change to a new group which proved very positive.

I would like to thank Simon Tainsh who has kindly offered his time to CMPC members while he is competing in the Melbourne 3-Day International. For those who are interested Simon will walk the cross Country course on Saturday afternoon. This is an invaluable experience. Many of our riders have been out competing or are just starting their competitive career. It is important to gather as much knowledge and information as you can and We are fortunate that Simon is willing to share his expertise. There is much more to walking a course that just learning the order of the jumps. When you are competing at higher levels it is important to consider your approach and striding.

"GREAT EFFORT & CONGRATULATIONS"
