## PRESIDENT'S REPORT

Hi Everyone,

Many Thanks to all our members and parents for adhering so closely to the safety precautions that were in place last rally for the UCI Bike ride I congratulate you on the way in which you all followed the strict instructions asked of you, even though in the end the bike ride didn't seem to present any problems for us because of the Safety precautions in place we are sure this plan would have adequately covered all riders and horses safely.

Two weeks ago at Drysdale the BEDS 2010 had it's Grand Final and congratulation to our Riders, Emma Alexander, Rachel Veltman and Amy Bellamy who place well in the Final tally of the whole Series. Congratulations also to all of our Members who competed in the Beds competition Series you all did a fantastic job representing our Club. We also pass our thanks onto Coral & Caroline for their neverending job organising the Series.

Members wishing to attend the Friends of Elcho Park - FOEP AGM are most welcome at the Club Room on 17th November.

"K" Certificate Riders please remember to bring your log books to the Rally and meet with Cait Alexander at lunch time. A Certificate evening is being planned on the 23rd November by the Zone for member wishing to find out more about Certificates and what is involved in going for them. For more details and enquires please contact Prue or Carolyn.

Remember to record all events on your event Record Sheet that you have been doing for the year. All events should be recorded weather or not you have placed - still record them. These will be collected at this Rally and tallied up for Presentation night.

Presentation Night information is on this newsletter so we hope to see you all there for a good fun night

Sorry I'm not at the Rally on Sunday, Jeff and I are just taking a short break relaxing in Perth, we hope you have a great day and we'll catch up with you at Presentation Night or Next Rally.

Cheers Lynn

## D.C. REPORT

November Rally 2010

There are many opportunities for our members to compete in our zone. The upcoming Zone qualifiers for states will be held at Colac and we have been asked to put in a club entry. Could you please either register at the rally or email me all your details if you would like to be included. For the first time the zone is offering Grade 4 so that our up and coming riders have the experience of competing at zone level. The Grade 4 riders do not qualify for states as states are for Grade 1, 2 & 3. This is a great idea and I'm sure will be taken up by many riders in our zone.

I would like to congratulate Amy Kort who recently travelled to Sydney to compete. She competed in the Australian Youth showjumping Festival and she jumped incredibly well, clearing 1.2m. Congratulations to Amy who is a great ambassador for our club.

Please note that due to inclement weather the Ballan Horse trial have been rescheduled to 28th November.

The girls who are completing their K certificate have been working consistently throughout the past few months and I would like to thank Cait Alexander for overseeing their progress. The C certificate will take place in March/April next year and we have another group of riders who have been working with Rachel (chief instructor) on their theory and riding. Many of our younger riders have been working on their D certificate and D star. Congratulations to those who have made a commitment to complete these certificates. I will be taking names (for the next group of C certificates) early next year for those riders who are interested in completing their C certificate late next year.

I will not be at the November Rally and so Rachel will be acting DC. Please see her if you have any questions.

Thank-you to all you who have helped out and set up jumps/ helped in the canteen etc at our normal rally days - we need everyone to assist to make these days so successful.

Happy riding!

Prue Petsinis
