PRESIDENT'S REPORT

Hi Everyone,

The new system of Muster first up and then Gear Check has been working a treat with sessions starting off a lot more smoothly, keep up the good work. The instructors are very pleased that you are all now arriving at your set times. Riders that are Eventing please remember to bring your books up at Muster.

Well our show went off fantastic due the great efforts of so many people, especially the organising committee, Rachel, Rochelle and Dianne Drinkwater and the help from so many of our Members and Families was great to see. Thanks so much to all that assisted on the day it was greatly appreciated. Don't forget to record your hours in the book.

CMPC Beds - 11th September (Jo Veltman co-ordinator)
The entries have been coming in steadily and the day is fast approaching, our workers help sheet will need to be filled up at this rally and organising of tasks will be allocated. This is our last big event to be run for this year so please if everyone could assist it will make an easy day for us all.

For the remainder of the year all we will have to do is help with the new areans that are being built and some ground maintenance which will be set in some working bees. The organising of this will be done by FOEP (Friends of Elcho Park) and much of it is in preparation for the State Dressage & Showjumping championships to be held here in February. The proposed work will leave us with some fantastic improvements - you thought our ground were great now - just wait 'n see what's to come. :-)

Members who are out eventing please remember to email your result so they can be published in the Hoofprints it's great for the Club to read how well you are all going. Also remember to record all events on your event Record sheet that you have been doing for the year. All events should be recorded weather or not you have placed - still record them. These will be collected at November Rally and tallied up for Presentation night.

Can K Certificate candidates please bring your Log Book, pen and paper to this Rally.

See you Sunday, Cheers Lynn

D.C. REPORT

September Rally 2010

Well we have felt the warmth of Spring! We had such lovely weather for the show and the day ran very smoothly. Congratulations to everyone who rode, you represented our club with distinction. I know that some people did really well and some people didn't win a ribbon. I was proud to look around and see how well you had all presented your horses and yourselves; how disciplined you all were in your ridden presentation and how supportive you all were of each other. The committee worked tirelessly to run a terrific show. On to the next event! We are running the BEDS at CMPC please make sure that you help out as the smooth running of these events reflects positively on the Pony Club. I would like to wish all of you who are riding the best of luck!

This month there will be a number of members who will be completing their D-certificate. Could you please bring your horse to the front of the club rooms directly after muster and gear check with your yellow book. Those people working towards their C-Certificate are required to bring their books and meet with your lunch in the club rooms.

There have been some changes made to the groups. The groups will have more changes made to them as we have members join. It is important to let me know if you bring a new horse to the rally before you join your group. It enables me to assess where the best place for you and your horse/pony is for the rest of the day. Thank-you to everyone who has made an effort to attend muster and be ready for gear check. The instructors really appreciate your promptness. Please be aware that you should be riding with the group that you are assigned to. We have allocated each group an instructor and it is the requirement of Pony club that you ride with a group. Please let me know if this is causing you anxiety or for some reason you and your horse cannot join a group.

I hope you enjoy the holidays with your horses and ponies.

Happy riding
Prue Petsinis

NSW State Dressage Champs

Emma Alexander & Rachel Veltman

We all had a great time and both ponies went really well and the girls had an absolute ball. Rachel even said it was the best weekend in her life!

Their final placing was Emma came 10th and 15th and 12th overall out of a field of 59 riders, and Rachel came 22nd and 26th out of 55 riders.

We are still unsure how the Vic Team went but our Team Manager is letting us all know when she finds out.
